

Amazing Grace

C **F** **C**
Amazing Grace, how sweet the sound,

G7
That saved a wretch like me....

C **C7** **F** **C**
I once was lost but now am found,

Am **G7** **C**
Was blind, but now, I see.

T'was Grace that taught my heart to fear.
And Grace, my fears relieved.
How precious did that Grace appear...
the hour I first believed.

Through many dangers, toils and snares...
We have already come.
T'was Grace that brought us safe thus far...
and Grace will lead us home.

The Lord has promised good to me...
His word my hope secures.
He will my shield and portion be...
as long as life endures.

When we've been here ten thousand years...
bright shining as the sun.
We've no less days to sing God's praise...
then when we've first begun.

Amazing Grace, how sweet the sound,
That saved a wretch like me....
I once was lost but now am found,
Was blind, but now, I see.

Bye and Bye

1906, Charles Albert Tindley

G **C** **G**
...We are tossed and driven on the restless sea of time;
G **A7** **D7**
Somber skies and howling tempests oft succeed a bright sunshine;
G **C** **G**
In that land of perfect day, when the mists have rolled away,
G **D7** **G**
We will understand it better bye and bye.

Chorus:

G **C** **G**
Bye and bye, when the morning comes,
G **A7** **D7**
When the saints of God are gathered home,
G **C** **G**
We will tell the story how we've overcome,
G **D7** **G**
For we'll understand it better bye and bye.

We are often destitute of the things that life demands,
Want of food and want of shelter, thirsty hills and barren lands;
We are trusting in the Lord, and according to God's Word,
We will understand it better bye and bye.

(Chorus)

Trials dark on every hand, and we cannot understand
All the ways that God could lead us to that blessed promised land;
But He guides us with His eye, and we'll follow till we die,
For we'll understand it better bye and bye.

(Chorus)

Well it's A for the ark, it was a wonderful boat,
Build it on the land, you'll get water there to float
And B for the beast at the ending of the wood, we will understand it better bye and bye

(Chorus)

One of these these mornings, coming bright and soon
Will the veil of the temple be torn in two, will it be made whole again
And when we get in heaven, gonna understand it then
We don't understand it better bye and bye

By the living Word of God I shall prevail,
Standing on the promises of God.

Standing on the promises I now can see
Perfect, present cleansing in the blood for me;
Standing in the liberty where Christ makes free,
Standing on the promises of God.

Standing on the promises of Christ the Lord,
Bound to Him eternally by love's strong cord,
Overcoming daily with the Spirit's sword,
Standing on the promises of God.

Standing on the promises I cannot fall,
List'ning every moment to the Spirit's call,
Resting in my Savior as my all in all,
Standing on the promises of God.

The Old Rugged Cross

G **C** **(Am)**
On a hill far away, stood an old rugged Cross
D7 **G** **D7**
The emblem of suff'ring and shame
G **G7** **C** **Am**
And I love that old Cross where the dearest and best
D7 **G**
For a world of lost sinners was slain

Chorus:

D7 **G**
So I'll cherish the old rugged Cross
F **G**
Till my trophies at last I lay down
G7 **C**
I will cling to the old rugged Cross
G **D7** **G**
And exchange it some day for a crown

Oh, that old rugged Cross so despised by the world
Has a wondrous attraction for me
For the dear Lamb of God, left his Glory above
To bear it to dark Calvary

(chorus)

In the old rugged Cross, stain'd with blood so divine
A wondrous beauty I see
For the dear Lamb of God, left his Glory above
To pardon and sanctify me

(chorus)

To the old rugged Cross, I will ever be true
Its shame and reproach gladly bear
Then He'll call me some day to my home far away
Where his glory forever I'll share

(chorus)

This Ole House

(Stuart Hamblen)

C This ole house once knew my children, **F** this ole house once knew my wife
G7 This ole house was home and comfort, **C** as we fought the storms of life
This ole house once rang with laughter. **F** This ole house heard many a-shout
G7 Now she trembles in the darkness, **C** when the lightnin' walks about.

Chorus:

F But, I ain't gonna need this house no longer
C Ain't gonna need this house no more
G7 Ain't got time to fix the shingles, **C** ain't got time to fix the floor
F Ain't got time to oil the hinges or to mend no window pane
G7 Ain't gonna need this house no longer, **C** I'm a-gettin' ready to meet the Saints.

This ole house is a-gettin' shaky, this ole house is gettin' old
This ole house lets in the rain. this ole house lets in the cold
Oh my knees are a-gettin' chilly, but I feel no fear nor pain
'Cause I see an angel peekin'.. through a broken window pane.

(Chorus)

My ole hound dog lies a-sleepin', he don't know I'm gonna leave
Else he'd wake up by the fireplace, he'd just sit an' howl and grieve
But my huntin' days are over, we ain't goin' huntin' any more
Gabriel done brought in my chariot, When the wind blew down the door.

(Chorus)

Three Men on a Mountain

Author: Tom Harley Campbell

Chorus:

G
Three men on a mountain up on Calvary
C **G**
And the man in the middle was Jesus
D7 **G**
He died for you and me

G **F** **G**
Well the man on the left was a sinner-man... tied to a cross he bled
C **G** **D7** **G**
He could have been forgiven but he mocked the Lord instead
G **F** **G**
"You say you are the Son of God.... they've nailed you to a tree
C **G** **D7** **G**
Come down, come down and save us....if God your Father be

(Chorus)

Well the man on the right was a sinner but he was sorry for his sins
He begged the Lord's forgiveness and Jesus said to him
"Fear not, fear not this earthly death. Before this day is o'er
You'll be with me in paradise on Heaven's golden shore"

(Chorus)

Turn Your Radio On

Albert Brumley

C
Come and listen in to a radio station
F C
Where the mighty hosts of heaven sing
G7
Turn your radio on, Turn your radio on
C
If you want to feel those good vibrations
F C
Coming from the joy that His love can bring
C G7 C
Turn your radio on, Turn your radio on.

Chorus

C F C
Turn your radio on, and listen to the music in the air
G7 D7 G7
Turn your radio on... and glory share
C F F#dim
Turn your lights down low, and listen to the Master's radio
C G7 C
Get in touch with God, Turn your radio on.

Don't you know that everybody is a radio receiver
All you got to do is listen for the call
Turn your radio on, turn your radio on
If you listen in, you will be a believer
Leanin' on the truths that'll never fall
Get in touch with God, turn the radio on.

Chorus 2x

When the roll is called up yonder

Philip E. Balsley;Harold Reid;Jimmy Fortune;Don S. Reid

G **G7**
When the trumpet of the Lord shall sound,
C **G**
And time shall be no more,
D7 A7 D7
And the morning breaks eternal, bright and fair:
G **C** **G**
When the saved of earth shall gather over on the other shore,
G **D7** **G**
And the roll is called up yonder, I'll be there.

Chorus:

G
When the roll (when the roll) is called up yonder,
D7
When the roll (when the roll) is called up yonder,
G **G7** **C....**
When the roll (when the roll) is called up yonder...
G **D7** **G**
When the roll is called up yonder I'll be there.

On that bright and cloudless morning,
When the dead in Christ shall rise
And the glory of His resurrection share:
When His chosen ones shall gather
To their home beyond the skies,
And the roll is called up yonder, I'll be there.

(Chorus)

Let us labour for the Master
From dawn till setting sun,
Let us talk of all His wondrous love and care,
Then, when all of life is over,
And our work on earth is done,
And the roll is called up yonder, I'll be there.

(Chorus)

Oh, when the trumpet sounds the call
Oh Lord, I want to be in that number
When the trumpet sounds its call.

Some say this world of trouble
Is the only one we need
But I'll be waiting for that morning
When the new world is revealed.

(Chorus)

Where could I go?

E **D** **E**
Living below, in this old sinful world
 B7 **F#7** **B7**
Hardly a comfort can afford
E **D** **E**
Striving alone, to face temptation's call
E **D** **E** **B7** **E** **D** **E**
Where could I go but to the Lord?

Chorus:

Where could I go, oh where could I go?
Seeking a refuge for my soul
Needing a friend, to help me in the end
Where could I go, but to the Lord?

Neighbors are fun, I love them everyone
We get along in sweet accord
But when my soul needs manna from above
Where could I go but to the Lord?

(Chorus)

Life here is grand, with friends I love so dear
Comfort I get from God's own word
Yet when I face the chilling hand of death
Where could I go but to the Lord?

(Chorus) X2

Tag twice

G **D7**
No sadfarewells...No tear... dimmed eyes

G **D7 G**
Where all... is love... And the soul... never dies

Dear friends there'll be no sad farewells. there'll be no tear-dimmed eyes
Where all is peace and joy and love, And the soul never dies

(Chorus)

A rose is blooming there for me, where the soul never dies
And I will spend eternity, where the soul never dies

(Chorus)

The love light beams across the foam, Where the soul never dies
It shines and lights the way to home, Where the soul never dies

(Chorus)

My life will end in deathless sleep, where the soul (of man) never dies
And everlasting joys I'll reap, where the soul never dies

I'm on my way to that fair land, where the soul never dies
Where there will be no parting hand, where the soul never dies

Chorus:

Will the circle be unbroken

By and by, Lord, by and by

There's a better home awaiting

In the sky, Lord, in the sky

Well I told the undertaker

Undertaker, please drive slow

For the lady you are hauling

Lord, I hate to see her go

(chorus)

Well I followed close behind her

Tried to hold up and be brave

But I could not hide my sorrow

When they laid her in her grave

(chorus)

Went back home, Lord, oh so lonesome

Since my mother, she was gone

All my brothers, sisters crying

What a home so sad and 'lone

Chorus:

G

I'm workin' on a **building**, I'm workin' on a **building**,

It's a holy ghost **building**, it's a holy ghost **building**,

If I... were a liar, I tell you what I'd do,

I'd quit my lying, and work on a building too.

If I... were a gambler, tell you what I'd do,

I'd quit my gamblin', and I'd work on a building too.

(Chorus)

If I... were a preacher, tell you what I'd do,

Wreck on the highway

as done by Roy Acuff

G

Who did you say it was, Brother?

D7

Who was it fell by the way?

G

When whiskey and blood run together...

D7 G

Did you hear anyone pray?

Chorus:

G C G

I didn't hear nobody pray, dear Brother

C G

I didn't hear nobody pray

G

I heard the crash on the highway...

C G D7 G

But...I didn't hear nobody pray.

(sing Harmony!!)

When I heard the crash on the highway
I knew what it was from the start
I went to the scene of destruction
And a picture was stamped on my heart!

There was whiskey and blood all together...
Mixed with glass where they lay.
Death played her hand in destruction
But I didn't hear nobody pray!

(Chorus)

I wish I could change this sad story
That I am now telling you
But there is no way I can change it
For somebody's life is now through

Their souls have been called by the Master
They died in a crash on the highway
I heard the groans of the dying
But I didn't hear nobody pray!

(Chorus X2)

You Don't Love God if you don't love your neighbor

E

There are many people who will say they're Christians

F#7 B7

And they live like Christians on the Sabbath day

E

But come Monday morning 'til the coming Sunday

B7 E

They will fight their neighbor all along the way

Chorus:

E

Oh you don't love God **if you don't love your neighbor**

B7

E

If you gossip about him, if you never have mercy

If he gets into trouble and you don't try to help him

B7

E

Then you don't love your neighbor **and you don't love God**

In the Holy Bible in the book of Matthew

Read the eighteenth chapter and the twenty-first verse

Jesus plainly tells us that we must have mercy

There's a special warning in the thirty-fifth verse

(Chorus)

There's a God almighty and you've got to love Him

If you want salvation and a home on high

If you say you love Him while you hate your neighbor

Then you don't have religion, you just told a lie
